## Company Profile

**P & H Enterprise Sdn. Bhd.** is a plumbing and hardware company incorporated in Kluang, Johor since 1996. We are specialized in supplying water piping products to the water infrastructure industry with more than 25 years of experience. We have track records in serving both private and public sectors including the Government projects in West Malaysia.

Our core supply products can be classified into 4 main categories as follows:

- Pipes
- Valves
- Fittings
- Other accessories

In plumbing system, we specialise in the provision variety of piping products such as Mild Steel (MS), Ductile Iron (DI), Galvanized Iron (GI), Acrylonitrile Butadiene Styrene (ABS), High Density Polyethylene (HDPE), Poly Aluminium (PA), Polyvinyl Chloride (PVC), Stainless Steel, Copper, Polypropylene Random (PP-R), Carbon Steel and etc.

Furthermore, we do supply Flange Adaptors, Sectional Tanks, Valves, Tapers, Saddles, Detachable Joints (DJ), Variable Adaptors (VA), Flanges, Gaskets, Chambers, Manhole Covers, Hydrants, Firefighting Hoses, Water Meter Set, HDG Bolts and Nuts, Electrofusion Fittings, Penstocks and etc.

Moving forward, we strive to complete our product range and continue focus on water infrastructure industry. **P & H Enterprise Sdn. Bhd.** will continue the journey towards improving water transmission quality and reduce non-revenue water (NRW) by supplying quality products in line with our Government goals.
